The screenshot shows a Microsoft Internet Explorer window with the title bar "SalesGorilla.com - Microsoft Internet Explorer provided by MSN". The address bar contains the URL "http://209.53.230/SG2/Root/HomeDefault.asp?vAction=acc_act". The main content area displays a "STRATEGIC ACCOUNT MANAGEMENT WITH AN INTERNET STATE-OF-MIND" banner and a navigation menu with links like "Home", "Task List", "Chat", "Sign In", "Sign Off", "Email Alert", "Status : ACC1 View", and "My Accounts". On the left, there is a sidebar titled "Account Plan Summary" with a "Table of Contents" and sections for "Industry/Customer Overview", "Business Objectives Alignment", "Account Position/Performance", "Resource Allocation", "Strategic Opportunities", and "Account Plan Objectives". The main content area shows a table titled "Action Item [ACC1 - Account Plan (Larry Kvicinski)]". The table has columns for "Item", "Owner", "Created Due", and "Completed". One item listed is "Set up meeting between our VP of Sales and customer's manufacturing manager", owned by "Dave Kemp", created on "12/22/2000", due on "1-1-2001", and marked as "completed". Below the table, a message from "Larry Kvicinski" states, "Why has this meeting not been set up? I thought we wanted this to happen before the new year". There are "edit" and "delete" links next to the message.
